1. Introduction

The information in this exposition is instructions to the consignor upon the completion of CIM consignment note for loaded wagon.

The purpose is to highlight and emphasize some parts of the CIM consignment note which the consignor is responsible to fill in (fields 1-30), unless otherwise is agreed.

The information selected is extracts from CIM Consignment Note Manual (GLV-CIM), where the full instruction for fill in of CIM consignment note is available. In all international united actions between carriers GLV-CIM is valid in full. This writing aims to clarify parts of the responsibility of the consignor according to the information presented in the GLV-CIM, but does not replace the same.

CIM Consignment Note Manual (GLV-CIM) is available at www.cit-rail.org and as a separate document at this web side.
